

Spring Encampment

Packing List – Day Campers

Please – Label EVERYTHING – including clothing and medications, your camper brings to camp.

- Please do not bring weapons, pets, personal sports equipment (unless okayed by the camp director), or electronic devices (cell phones, DS, iPods, MP3 players, etc). These will be taken away and kept in a safe place until after Encampment is over.
- Please do not pack items of value for camp. Participants are responsible for any and all equipment/personal items brought to camp and neither camp nor the Girl Scouts of Minnesota and Wisconsin River Valleys nor The Westonka/Orono Service Unit can be responsible for the lost, stolen, or damage to personal belongings or money.
- Camp is rustic. Think dirt, dust, rain, sunshine and bugs! Please pack old clothes and shoes – they WILL get dirty!
- Lost and found will be kept for approximately 1 month. Any items not claimed, will be donated to charity.
- Pack a copy of this list so that it can be referred to when leaving camp. This will help reduce the number of items left behind.
- Most of camp is wooded, which will decrease the temperature. Please make sure girls are dressed appropriately.
- Don't forget your Field Trip Permission Form and your Health Information Form
- Dress in layers

Required Items

- Sturdy walking shoes that are closed-toed with heel support (**NO crocks, sandals, flip-flops, or shoes with high heels**)
- Water bottle
